WORK EXPERIENCE

OFFICER-SAP

Aug 2023 - Present

Rex-Tone Industries Ltd. | Vadodara, Gujarat

- Managing and administering SAP Business One (SAP B1) across core business operations.
- Designing, developing, and maintaining custom reports and views using SAP HANA SQL and Crystal Reports.
- Ensuring high data accuracy, consistency, and system integrity across SAP databases.
- Developing parameter-driven and logic-based reports aligned with system behavior and business requirements.
- Validating custom reports against system outputs to ensure 100% reporting accuracy.
- Creating analytical and MIS reports to support management decision-making.
- Generating and optimizing SAP Queries for operational and financial analysis.
- Providing SAP user support, troubleshooting, and issue resolution across departments.
- Streamlining and optimizing business workflows within SAP B1 to improve efficiency.
- Acting as a coordination point between functional users, management, and technical teams.
- Supporting audit and compliance-related data requirements.
- Preparing datasets and structured outputs from SAP B1 for Power BI reporting and visualization.
- Developing and maintaining Power BI dashboards for management insights and trend analysis.
- Supporting data refresh, transformation, and model readiness for Power BI consumption.
